(Version 25 May 2022)

Zagreb Grand Prix, Croatia 15 - 17 July 2022

 @MariusVizer

Dear friends, judoka, delegations,

Welcome to Zagreb, to a home for judo which always welcomes us with open arms.

With Tokyo now a long way behind us, Croatia hosts the third Olympic qualification event since this period was opened officially in Mongolia last month. With Paris 2024 only two years away, each World Judo Tour location finds increased intensity and this Zagreb Grand Prix promises to showcase some of the world's biggest and brightest judo stars, alongside the newcomers who are impressing us forcing their way into contention.

Zagreb, with its enormous experience on the WJT, offers us confidence, stability and efficiency and for that we must thank the local organisers and all their volunteers.

I wish all members of the judo family a safe and welcoming visit to beautiful Croatia and thank you for your warm, ongoing support.

Yours in judo.

Marius L. Vizer
President
International Judo Federation

Zagreb Grand Prix, Croatia 15 - 17 July 2022

Dear judo friends, sport officials and distinguished guests,

It is my great pleasure to wish you welcome to Zagreb and welcome to Judo Grand Prix Zagreb 2022. It is again one excellent opportunity for the Croatian Judo Federation to welcome all judo family to Zagreb and express our hospitality to all competitors as well as sports officials and all members of national teams.

As a host, we are looking forward to creating a hospitable ambience and positive sport atmosphere in our sport hall but also to generating possibilities for all judo officials to meet and discuss their ideas for the development of judo worldwide.

As our last edition was organized as sustainable judo event, with carbon footprint measurement, this time we also wanted to contribute to UN "Sports for Climate Action" and IJF "Policy on Sustainability", so we also plan this as 'green' event in many aspects.

At the Croatian Judo Federation, it is also our intention to promote our sport – judo as a modern and dynamic combat sport with many values and of course to promote our city – Zagreb that is also hosting many important sport events. To be able to organize this Grand Prix we need the support and help of our sponsors, City of Zagreb and the Ministry of tourism and sport, as well as many volunteers and I would like to take this opportunity to thank them all.

I would also like to express my respect and appreciation to the IJF President, Mr. Marius Vizer for supporting the efforts of the Croatian Judo Federation in contributing to the IJF World Judo Tour.

I wish all participants the best of luck on tatami, and safe trip to Zagreb and back home.

Dr. Sanda ČORAK
President
Croatian Judo Federation

IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC

ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!

The fundamental principle throughout all IJF events during the COVID-19 era is to Protect and Be Protected by respecting the recommendations of "**IJF COVID-19 Protocol**". All participants have the mutual responsibility to protect each other.

Each National Federation delegation participant (athlete, coach, team official, physiotherapist, doctor President etc.) must have read and understood the latest version of the IJF COVID-19 Protocol which can be found here: [covid.ijf.org](https://www.ijf.org/covid)

The COVID-19 vaccines provide protection to the vaccinated only against seriously falling ill, but not against getting infected or transmitting the virus to somebody else, even if the chances of the latter is very low. Therefore, until vaccination reaches a high level among the judo family and there are other effective preventive methods available, or until it is globally accepted to conduct activities without safety measures, all the participants of any IJF event must follow the same protocol to protect and be protected, in the spirit of unity and solidarity which is in our community's moral code.

To maintain the required safety level at the IJF events, the following variants of vaccination are recognised as complete vaccination and the bearers as "fully vaccinated" within the validity period.

In case the validity expires during an event, the status is upheld until the last day of the event.

The IJF accepts all vaccination types, not only EMA or WHO approved products.

Type of protection	Minimum time elapsed	Maximum time elapsed
1 dose of and 1 dose vaccines (Janssen, Sputnik Lite, or other)	Minimum 28 days from receiving the dose	Maximum 6 months from receiving the dose
2 doses of any 2 dose vaccines	Minimum 14 days from the 2nd dose	Maximum 6 months from the 2nd dose
Booster doses: 3rd or additional dose (2nd dose after a 1 dose vaccine)	Minimum 7 days from the last dose	To be determined by the WHO, currently no end of validity
Recovery from infection and 1 dose	Minimum 14 days from receiving the dose	Maximum 6 months from receiving the dose
1 dose and recovery from infection	Minimum 11 days from the positive PCR test	Maximum 6 months from the positive PCR test
Recovery from infection	Minimum 11 days from the positive PCR test	Maximum 6 months from the positive PCR test

Vaccination validity is subject to change according to WHO recommendations. Please, note host country vaccination criteria may differ from the IJF's, always check the local rules before travelling.

Zagreb Grand Prix, Croatia

15 - 17 July 2022

The judo community has reached an important milestone; the average vaccination and/or recovery level is now steadily around 80% for the IJF World Judo Tour events. This allows us some softening of the IJF COVID-19 Protocol.

Bubble system

Partial bubble: participants may exit their hotel for “work activities” i.e., run/ walk to training and/or competition venue, general exercising, running etc., not for tourist activities. Visiting the host city for sightseeing or shopping is still not allowed during a competition. Delegations are expected to control themselves to reduce the risk of infection.

Mask wearing

Mask wearing is optional*, unless it is mandated by the host country’s government with the exceptions of competing/refereeing/coaching/awarding ceremony, on/at the Field of Play tatami, on the warm-up tatami whilst warming up or on the training tatami whilst training, or while eating in designated dining areas.

*The IJF Medical Commission still recommend the wearing of masks in areas where social distancing is not possible.

Testing requirements before and after arrival (see tables below)

For vaccinated: no change.

For non-vaccinated / with vaccination older than 6 months: same as for vaccinated until further notice.

For those who have tested positive within one month to their intended arrival to an event, the status “**RECOVERED**” (a dated positive PCR test, a positive antigen test or recovery certificate must be uploaded to my.ijf.org) is introduced with the following testing protocol:

Recovered: 1 negative PCR test before arrival, 1 antigen test upon arrival (if permitted by the host country, otherwise 1 PCR), 1 antigen 24h after arrival, 1 antigen before weigh-in / 48h after arrival for non-athletes.

People claiming the **RECOVERED** status for an event **MUST** contact the IJF via covid@ijf.org in advance before they start their travel.

Further softening of the IJF COVID-19 Protocol will be made once the vaccination/recovery levels reach 85% or higher. Therefore, we encourage the judo family to continue to report/upload their vaccination documents.

COVID-19 DOCUMENTS

All pre-event COVID-19 documents must be uploaded on the IJF platform: my.ijf.org before travelling. If assistance is required please contact covid@ijf.org. Fourteen (14) days after the event, all data will be deleted.

EVENT PARTICIPATION (refer also to section 2)

ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

At least one team delegate must attend on time to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during the official registration.

A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.
- 10 or more competitors = seven (7) officials.

The accreditations for National Federation president, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in judobase) is 100 US\$ per accreditation, to be paid to the LOC.

Replacement of lost or forgotten accreditation will be charged at 50 US\$ to be paid to the IJF.
