The top three pairs with the maximum points in each Kata will be awarded. The pair with the maximum points/less mistakes will be awarded the gold medal. The couple with the second least points/less mistakes will be awarded the silver medal; and the third - the bronze medal.

1.10 POINT SYSTEM

Each technique and open and closing ceremonies are evaluated with a maximum positive score of 10 points. The positive score is decreased by mistakes. The evaluation of every technique of Kata has to consider the principle and the opportunity of execution: the evaluation (included the open and close ceremony) has to be comprehensive.

Definition of mistakes:

Forgotten technique/Major Mistake: – score is Zero and the total score of the Kata is halved. If the Forgotten technique/Major Mistake is more than one, zero score will be given to the technique but the total score will be not halved again. If the halved total value is not a whole number, the score will be rounded up.

Big mistake: when the execution of the principle is incorrect (5 points are deducted and the maximum number of crosses is 1)

Medium Mistake: when one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).

Small mistake: imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

The total score for each technique can be increased or decreased by 0,5 point adding in the column of the "correction value" a " + " or a " - " or nothing.

For every technique without a big mistake the minimum score has to be 4,5.

In the Nage-no-Kata, right and left techniques will be evaluated globally (only one score).

EJU Kata Tournament

Madrid – Spain

In case of equal score between pairs, the following criteria will be applied considering the scoring sheets of the 5 Judges:

- Total value of big mistakes - wins who makes less mistakes;
- If still equal, total value of medium mistakes will be considered. - wins the pair who makes less mistakes;
- If still equal, total value of small mistakes will be considered - wins the pair who makes less mistakes;
- If still equal, the average score (evaluated until the second decimal place) of the whole Kata will decide. Win the pair who has a better score.

If two pairs both placed 3rd after the above mentioned criteria, the kata will be repeated in order to assign the medal.

1.11 FINAL

Till 8 participants direct final.

From 9 and upon 12 participants 1 preliminary and 4 best results to final.

More than 12 participants 2 preliminary and 3 best results of each to final.

2. JUDGES

2.1 LEVEL OF THE JUDGES

The contests will be judged by IJF/EJU or National qualified Kata Judges. Kata rules to be followed are as published by the EJU/IJF ([IJF KATA EVALUATION Jan 2022](#)). The Judges will evaluate these Kata based on the official Kodokan Kata standard according and with reference to the official KDK edition of Textbook (official amendment only should be considered if any).

2.2 SYSTEM OF JUDGING

The Judges are five and will be positioned on the shomen side. They will award points on the official EJU scoring sheet. For each technique the total score of three Judges will be totaled to produce the final score: the maximum score and the minimum score for each technique will be cancelled. The final score of the whole kata will be the sum of the scores for each technique. A Judge cannot be a competitor.

The judges shall always be in their position before the arrival of the couple in the competition area. The judge in the Centre stands up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area.

The couple enters and leaves the competition area at the opposite side of shomen: the start and end of Kata (opening and closing ceremony) is at 10 m or 8 m distance (bow to the mat).

Any behavior of Tori or Uke inside the Competition area that is contrary to the spirit of Kata will reduce the score of the ceremony.

2.3 DRAW

The draw for the sequence of each pair in competition will be done the day before the competition.

2.4 COMPETITION AREA

The Competition area has dimensions 8 x 8 meters (minimum) or 10 x 10 meters (maximum) and shall be covered by Tatami or similar acceptable material.

The Competition area must be fixed to a resilient floor. When more adjoining competition areas are used, a common safety area of 2 meters is necessary.

A strip of visible color adhesive tape, approximately 5 cm. wide and 50 cm. long, shall be fixed on the center of the competition area 6 m. apart, to indicate the starting position of Tori and Uke. The center of the competition area shall be indicated with a strip adhesive tape of the same color.

2.5 INJURY, ILLNESS and ACCIDENT

When Tori or Uke is unable to continue because of injury, illness or accident during the execution of the Kata, the couple will be considered out of competition.

In case of Minor injury like bloody wound, broken nail or a problem with contact lenses, according to the decision of the judges, the Kata execution will be stopped and the athlete will be assisted by a Doctor out of the competition area.

The competition will continue and the couple will repeat entirely the Kata soon after the last called couple. In case a new Minor injury happens at the same athletes during the second execution of Kata, the couple will be considered out of competition.

In the case that Minor injury happens after a forgotten/major mistake, the couple will be considered out of competition.
