INTRODUCTION BY EJU PRESIDENT

Dear Judo Friends!

I am heartily glad to welcome the guests and participants of the European Kata Championships 2013 here in beautiful city of Cottonera, Malta!

The Kata is one of the main bases of Jigoro Kano's Judo Philosophy, which represents physical and spiritual harmony of Judoka. The improving of these main features is the key to the comprehension of judo art!

The interest of many people in our sport and the growth of Judo Family is indeed the proof that Judo helps people not only in sports but also in their lives.

I wish everybody to improve their spirit by Kata, great health and success!

3.3. POINT SYSTEM

EUROPEAN KATA CHAMPIONSHIPS / OPEN EUROPEAN KATA CHAMPIONSHIPS / KOSHIKI NO KATA EUROPEAN CUP

The Judges are five and will be positioned on the shomen side. They will award points on the official EJU scoring sheet. The total score of three Judges will be totaled to produce the final score: the maximum score and the minimum score will be cancelled.

Each technique and open and closing ceremonies are evaluated with a maximum positive score of 10 points. The positive score is decreased by mistakes. The evaluation of every technique of Kata has to consider the principle and the opportunity of execution: the evaluation (included the open and close ceremony) has to be comprehensive.

Definition of mistakes:

Forgotten technique – score is Zero and the total score of the Kata is halved. If the forgotten technique is more than one, zero score will be given to the technique but the total score will be not halved again. If the halved total value is not a whole number, the score will be rounded up.

Big mistake: when the execution of the principle is incorrect (5 points are deducted and the maximum number of crosses is 1)

Medium Mistake: when one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).

Small mistake: imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

For every technique without a big mistake, the minimum score has to be 5. The evaluation of fluidity, course and rhythm represents the global vision of the whole Kata (included the bow): • If there is no big mistake in the Kata, the minimum result will be 5 and the maximum 10.

If there is a big mistake in the Kata (including the bow), the score must not be more than 5.

In case of a forgotten technique, the score or fluidity, course and rhythm is zero.

In the Nage no Kata, right and left techniques will be evaluated globally (only one score).

In case of equal score between pairs, the following criteria will be applied considering the scoring sheets of the 5 judges:

- Total value of big mistakes - wins who makes less mistakes;
- If still equal, total value of medium mistakes will be considered. - wins the pair who makes less mistakes;

- If still equal, total value of small mistakes will be considered - wins the pair who makes less mistakes;
- If still equal, the score of fluidity will decide. Wins the pair who has a better score.

If two pairs both place 3rd place after the above mentioned criteria, the kata will be repeated in order to assign the medal.

3.4. JUDO SHOW EUROPEAN CUP

The show will be judged on the following criteria:

- efficiency
- precision and variety of the techniques
- choreographies
- originality

The total points accumulated will be the final result.

3.5. SYSTEM OF JUDGING

Each Kata shall be evaluated by five judges under the supervision of the EJU Kata Commission. The five judges will be positioned on the Shomen side and they will seat at about 1 m. distance apart from. The Maximum points and the Minimum Points awarded are cancelled and the remaining three are totaled to get the final number of penalties.

The rule of neutrality will be applied: a couple cannot be judged by a judge of the same Nation. The position of the five judges will be the same for all the competition.

A Judge cannot be a competitor.

The judges shall always be in their position before the arrival of the couple in the competition area.

The judge in the centre stands up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area.

The couple enters and leaves the competition area at the opposite side of shomen: the Start and end of Kata (opening and closing ceremony) is at 10 m distance (bow to the mat).

Any behavior of Tori or Uke inside the Competition area that is contrary to the spirit of Kata will reduce the score of the ceremony.

3.6. COMPETITION AREA

The Competition area has dimensions minimum 8 x 8 and maximum 10 x 10 metres and shall be covered by Tatami or similar acceptable material.

The Competition area must be fixed to a resilient floor. When more adjoining competition areas are used, a common safety area of 2 metres is necessary.

A strip of visible colour adhesive tape, approximately 10 cm. wide and 50 cm. long, shall be fixed on the centre of the competition area 6 m. apart, to indicate the starting position of Tori and Uke. The centre of the Competition area shall be indicated with a strip adhesive tape of the same colour.

3.7. INJURY, ILLNESS and ACCIDENT

When Tori or Uke is unable to continue because of injury, illness or accident during the execution of the Kata, the couple will be considered out of competition.

In case of Minor injury like bloody wound, broken nail or a problem with contact lenses, according to the decision of the judges, the Kata execution will be stopped and the athlete will be assisted by a Doctor out of the competition area.

The competition will continue and the couple will repeat entirely the Kata soon after the last called couple. In case a new Minor injury happens at the same athletes during the second execution of Kata, the couple will be considered out of competition.
